BVD Guidance

Written By: HuntlyOffice1

Step 1 — BVD Guidance

- Underneath the cattle header, click on BVD Guidance

Step 2 — BVD Guidance

What's new:

- A ban on knowingly selling/moving cattle infected with BVDV;
- Requiring the herd's BVD status to be declared before sale; and,
- Restrictions on untested herds/animals

Anyone with any concerns should not hesitate to contact the BVD helpline help@scoteid.com / 0300 244 9823 (open from 9am – 5pm Monday to Friday).

Non-breeding herd declaration

- [Non-breeding herd declaration](#)

Official guidance on the BVD eradication programme:

- [Phase 5 at a glance summary](#)
- [Official Farmer guidance \(Phase 5\)](#)
- [The official Scot Gov BVD page](#)

The Royal Veterinary College (RVC) also has a [page](#) on BVD which contains numerous useful resources, including:

- [Videos](#)
- [Presentations](#)
- [Podcasts](#)

- A new page with an overview of guidance on BVD will show. There are hyperlinks highlighted in blue on

the page that once clicked on, will
download or open a new page

If you require further assistance, please contact ScotEID on 01466 794323.
