- The **BVD Tests** table lists the current BVD herd status, most recent test result/date and address for each test holding number.
- ❗ Green Category 1 = BVD Certified Negative Holding, Yellow Category 2 = BVD Negative Holding, Red Category 3 = Not Negative Holding, Black Category 4 = Positive Holding, White Category 0 = Non-Breeding Holding. This can be shown by hovering your cursor over the category column as shown in the second image.
- The table can be sorted by using the up/down arrows on the table header. For example to view the most recent test result date first, select the arrow on the date column.
- Select **Animal/holding status lookup**, highlighted by the blue box, to view all BVD test results for an individual holding number or animal.
- ❗ For more information on using the BVD Lookup function, see the *Cattle - BVD Look up guide*.
