Pig - Movements

Written By: ScotEID

Step 1 — RPID - Pig Movement

The first screenshot shows the ScotEID website home page. The header includes "LIVESTOCK TRACEABILITY EID RESEARCH" and navigation links for "Contact ScotEID", "Privacy/T&Cs/Cookies", and "Support Software". The main content area features a "ScotEID - Scottish EID Livestock Traceability Research" section with a description of the service and a "Read more" link. A sidebar on the left contains "Navigation" (Home, Keeper Details, Logout) and "ScotMoves" (ScotMoves Home, All Exemptions).

The second screenshot shows the "Pigs" menu in the left sidebar. A red arrow points to the "Pig Movements" option. The main content area displays a table of pig movements with columns for "Pre-notified", "EID", "Date", "Age", "Breed", "Sex", and "Status".

| Pre-notified | EID | Date | Age | Breed | Sex | Status |

- The image is an example of how the Pig Movements table is shown and will bring up movements for all CPH's. You can search, sort, download or print. There is reference to these icons along the top of the table, as indicated by the red box.
- To search for a Pig Movement, click on the magnifying glass icon as shown by the blue arrow in the first image. To narrow your search criteria, use the search box as shown in the second image.
- To print a Pig Movement, you will first need to do a search for the correct movement. Then select the printer icon to print, as shown by the red arrow in the first image.
- You can sort the movements by using the headings along the top banner of the Pig Movement table, in the first image. Click on the heading you wish to sort by.
- Additional functions are shown in the first image. Click on the green arrow to reload the page. Click on the black arrow to download the page.
