- This table shows all the keepers that are registered for ScotMoves.
- The number of records listed per page can be altered by using the drop down arrow highlighted in the blue box.
- The table can be sorted by selecting the header at the top of each column. For example to show the table in order of notification date, click on that header to view either the newest registered or oldest registered first.

The screenshot shows the 'All Keepers' search interface. It features a search bar with a dropdown menu currently set to 'all'. To the right of the dropdown is a criteria dropdown menu set to 'equal'. A text input field is empty. Below these is a 'Reset' button and a 'Find' button. Three arrows are overlaid on the image: a blue arrow pointing to the 'all' dropdown, a pink arrow pointing to the 'equal' dropdown, and a yellow arrow pointing to the 'Find' button.

This screenshot shows the same 'All Keepers' search interface. A red rectangular box highlights the 'Reset' button, which is located at the bottom left of the search area, below the input field and criteria dropdown.

- The magnifying glass at the bottom left hand corner of the table will allow you to create a specific search.
- In the first box, select what you would like to search by.
- In the second box, select the search criteria.
- In the third box, enter the data required. Click on find.
- For example, if you would like to view all the main cph's that start with 78, select main_cph in the first box, then select begins with in the second box, then enter 78 in the third box.

 Click on reset to cancel the search that has been created.
