BVD Holding Info

Holdings for which your laboratory set the last BVD status will be shown.

Show/Hide Help & table column descriptions

Copying the + icon will open a subgrid showing the + icon bar on the holding. Whenever @ appears in the table it can be clicked on for further information. Further guidance can be found on the Help Page.

Main Grid

CPH: The holding for which your laboratory set the last BVD status will be shown.

BVD category: The BVD category as described in the official guidance.

Business: Business name as recorded on BCSIS.

Retired: The date on which testing was last completed for this holding and a status issued.

Last status: The date on which testing was last completed for this holding and a status issued.

Cattle: The total number of registered cattle for this holding in the previous 12 months.

Calves last 12M: The total number of registered calves for this holding in the previous 12 months.

Calves last 24M: The total number of registered calves for this holding in the previous 24 months.

Calves last 12M: The total number of registered calves for this holding in the previous 12 months.

Calves last 24M: The total number of registered calves for this holding in the previous 24 months.

Calves last 12M: The total number of registered calves for this holding in the previous 12 months.

Calves last 24M: The total number of registered calves for this holding in the previous 24 months.

Animal ID: The animal ID.

DOB: The date of birth.

Date of death: The date of death.

CPH: The holding for which your laboratory set the last BVD status will be shown.

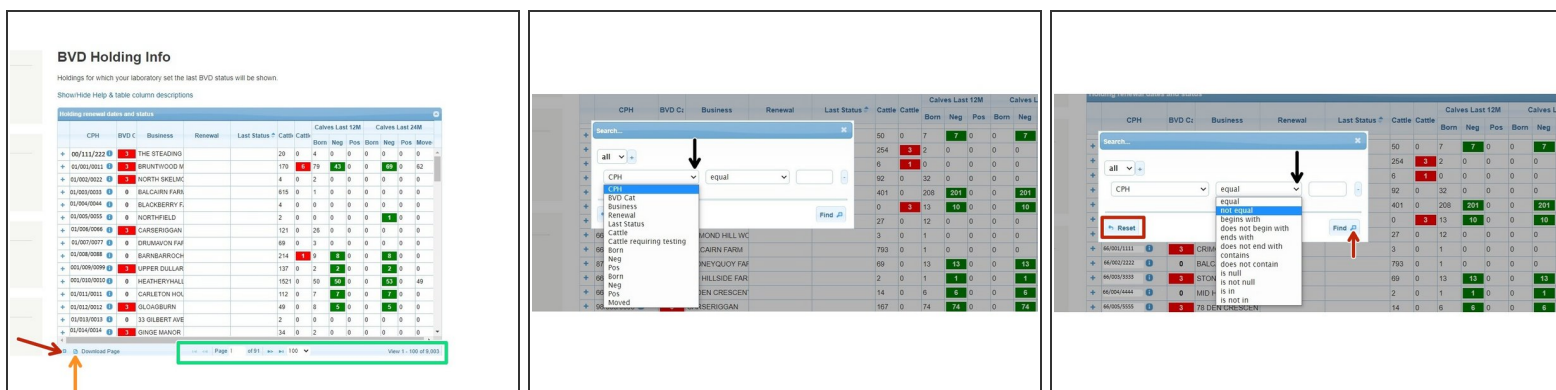

Birth CPH: The holding for which your laboratory set the last BVD status will be shown.

BVD status: The BVD status for this animal.

Animal ID	DOB	Date of Death	CPH	Birth CPH	BVD status
UR12040678901	14/02/2021		00/10/1922	01/02/2021	Untested
UR12040678902	22/04/2017		00/10/1922	03/02/2022	BVD Negative

- The first image shows you the BVD Holding Info for your clients. The headings in the shaded blue banner along the top, are explained by clicking on the blue hyperlink, shown by the red arrow. To see this, go to the second image.
- The second image displays the BVD Holding Info column descriptions seen in the Main Grid. It also shows the additional information seen when you open up a Sub Grid. To open a Sub Grid, click on the + symbol at the left hand side of the chosen CPH, as shown by the black arrow (first image) then refer to the third image.
- Click on the **Help Page** hyperlink as shown by the blue arrow (second image) for further guidance
- The third image shows additional information known as the Sub Grid. You can click on any of the blue i symbols (as shown by the red arrows) for further animal ID/CPH information. To **reload** the page, click on the icon indicated by the blue arrow. To **download**, click on the paper icon as indicated by the black arrow.

Step 3 — BVD Holding Info - Search and Download

- You can select how many records per page you view by clicking on the small black arrows within the green box, as shown in the first image.
- To download a page to Excel, click on the paper icon where it says **Download Page**, as shown by the orange arrow in the first image
- To narrow your search criteria, click on the magnifying glass icon at the bottom left hand corner of the Main Grid, as shown by the red arrow in the first image. Next, go to the second and third images.
- The second and third images shows the search box. A drop down list will appear by clicking on the small black arrows where shown. Select your search criteria, then click on **Find**, as shown. To carry out a new search, select **Reset** on the search window. This will reload the grid and clear the previous search criteria.
