Step 5 — Selecting the Bull

- The IDs of bulls on your holding appears in a drop down when you start typing.

- Please select the ID of the father of the calf.

(i) Alternatively, you can enter the bull's name but for trace purposes the ID is preferred.

Step 6 — Adding a User Reference

- You can enter a reference for the birth.

(i) Please note that this is your reference and remains against the animal on your holding details only. It does not transfer with the animal if the animal leaves your holding.

- For registering the births of twins or triplets please refer to the guide 'Registering Twins or Triplets'.
