For Marts and Abattoirs - checking export eligibility

Look Up history available to Marts and Abattoirs for the Export Eligibility Checker

Written By: Debbie Dow

Step 1 — Export Eligibility Checker

- The Export Eligibility Checker is found on the menu on the left.
- ⓘ Animal product (all livestock species) from 13th December 2023 must be eligible, if it is to be exported. This is determined by the location being listed in an assurance scheme (QMS or Red Tractor) or the location must have a Vet Attestation.
- ★ A Vet Attestation is completed by a vet on a farm visit and recorded by the vet on ScotEID for that location.

Step 2 — Export Eligibility Lookup

- Click on the Export Eligibility Lookup
- ⓘ This lookup is public. You are not required to be signed on to the ScotEID website to use it.

Step 3 — Selecting the move date

EU export eligibility lookup

Enter a CPH number to check export eligibility of a Scottish holding.

Move date

CPH number

December 2023

Su	Mo	Tu	We	Th	Fr	Sa
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16

EU export eligibility lookup

Enter a CPH number to check export eligibility of a Scottish holding.

Move date

CPH number

- i For marts and abattoirs, a move date is selected on the lookup. This differs from the public and keeper export eligibility lookup.
- Use the drop down calendar to select the move date.
- i The move date defaults to today's date.

Step 4 — Enter the CPH number

EU export eligibility lookup

Enter a CPH number to check export eligibility of a Scottish holding.

Move date

CPH number

- For the location you wish to look up, enter the CPH number here
- Click on the Lookup button
- ⓘ Using the CPH of the location, this checks QMS and Red Tractor assurance schemes and Vet Attestations.
- ★ A Vet Attestation is completed by a Vet, who must be MRCVS registered, on a visit to the location.
- ⓘ A Vet Attestation is recorded directly on ScotEID by the Vet. The length of the Attestation is set by the Vet and can be up to 12 months.

Step 5 — CPH selected

EU export eligibility lookup
