- If there is more than one ID missing, and the IDs are sequential, select 'Sequential range of IDs'. Enter the flock number then the range within the start and stop boxes, if only one or a couple of ID's have been missed within the range, add the ID's in the except box.
- If there is only one ID to enter or there are a few but are not in a sequential range, choose 'Non-sequential IDs' and add the flock number and animal ID and click add to enter the next ID.
