- To download the table, click on the document icon circled in yellow.
- To reload the table, click on the icon circled in blue.
- To search for information, click on the magnifying glass icon circled in red.
- When selecting the magnifying glass, a box will appear to enter search criteria. The yellow arrow indicates the main search - eg, animal ID.
- The blue arrow widens or narrows the search - eg equal means that the exact ID must be entered in the exact format shown in the table and contains means that part of the ID can be entered.
- The red arrow is where to enter the animal ID, if this is the search you are using.

- To show the cattle that are on an additional holding, select one from the drop down list, as indicated by the red box.
- The blue arrow shows where to tick if historic animals are required to be seen.
- If the address information is required for the additional holdings, click on Show/Hide RPS holding address data, as shown in the blue box.
- Movements can be seen and recorded by following the link, indicated to with the red arrow.

If you require further assistance, please contact ScotEID on 01466 794323.
