Find 

- A table will show all suspected Live PIs and the key information associated to each animal ID. The blue **i** symbol (as shown by the black arrows) can be selected if you need more detailed information concerning the ID such as movement history or details on the CPH's.
- To narrow your search criteria and look for a specific animal ID, click on the magnifying glass at the bottom left hand corner of the table, as shown by the red arrow.
- This will take up a search box in which you can enter your search criteria. Then click find.
- To reset the table, click on reset.
- To download the table, click on the paper symbol at the bottom left hand corner of the table, as shown by the blue arrow.
- You can view Live and Dead PIs' by selecting **Show Live and Dead PIs**, as shown by the green arrow
- To see ScotEID Terms and Conditions, follow the blue hyperlink, as shown in the orange box.

Step 3 — Live & Dead PI Animals
