- To narrow down a search, click on the magnifying glass at the bottom left of the table as shown by the red arrow and the box shown in red will appear.
- From the drop down select how you would like to search and click on the find button shown in blue.
- You can also export the page and this creates a csv file by clicking on Export Page at the bottom left of the table as shown in green.

## Step 6 — Search by Tag ID

The first screenshot shows the 'Investigate Tag' form. The 'Tag ID' field is highlighted with a red box, and the 'Submit' button is also highlighted with a red box. The 'Holding' field is set to 'UK'.

The second screenshot shows the 'Recorded History' table. The 'Read location' column is highlighted with a red box. The table contains the following data:

Lot Date	Lot ID	Move/Action	Departure	Read location	Destination
12/11/2020	1000	MART			
05/08/2020		Issued			

The third screenshot shows the 'Recorded History' table. The 'Destination' column is highlighted with a red box. The table contains the following data:

Lot Date	Lot ID	Move/Action	Departure	Read location	Destination
12/11/2020	1000	MART			
05/08/2020		Issued			

- To search by an animal ID, select Tag ID as shown in red and click submit.
- If any information found for the specific tag number a box will appear, which shows this animal's history. Where it was tagged and which holdings it has been on and the movements which have been recorded.
- For further information, if you hover your mouse over the blue i, the address and postcode will appear for this holding number.
